

SENATOR MAXEY: What we're actually doing is excluding the setup charge and delivery charges from the mobile home and cabin trailers. They should not be evaluated on that. I ask that we move this amendment.

SPEAKER LUEDTKE: The motion is the adoption of the Marvel-Maxey amendment number three. All those in favor vote aye, opposed nay. Have you all voted? Senator Cullan, for what purpose do you arise?

SENATOR CULLAN: To ask a question.

SPEAKER LUEDTKE: I know, and I recognized Senator Koch just ahead of you and he moved to cease debate and we voted to cease debate. That is correct. We're now voting on the question. Would you record the vote. For the adoption of the Maxey-Marvel amendment number three.

CLERK: 27 ayes, 3 nays on the Marvel-Maxey amendment, Mr. President.

SPEAKER LUEDTKE: The Marvel-Maxey amendment number three is adopted. Is there an amendment on the desk, Mr. Clerk?

CLERK: Yes sir. There is now an amendment offered by Senator Koch. Read amendment found on page 568 of the Journal.

SPEAKER LUEDTKE: Chair recognizes Senator Koch.

SENATOR KOCH: Mr. Speaker, members of the body, the purpose of this amendment is harmonize the bill. It was brought to my attention by Mr. Burnett that we had to have this amendment. I move for the adoption so this bill becomes effective before we miss what we're trying to do.

SPEAKER LUEDTKE: Any further discussion on the Koch amendment? Senator Cullan.

SENATOR CULLAN: Could you read the amendment, Mr. Clerk.

CLERK: Read amendment found on page 568 of the Journal.

SPEAKER LUEDTKE: Senator Cullan, did you have a question?

SENATOR CULLAN: Senator Koch, I'm sorry. In your brief explanation I have no conception of what is going on. I would appreciate just a very brief explanation.

SENATOR KOCH: Senator Cullan, in the printing of the bill there was an error that was brought to my attention by Emory Burnett as it applies to delinquent taxes on the part of these kinds of owners. What we're trying to do is clarify it to make certain that when a tax is not paid that there is a statement in there that tells them when it is delinquent and must be paid...be penalized. That is all we're doing.

SENATOR CULLAN: Thank you very much, Senator Koch.

SPEAKER LUEDTKE: Any further discussion? Senator Koch, you have any closing? Question is the adoption of the Koch amendment to LB 660. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 27 ayes, 0 nays on the adoption of the Koch amendment, Mr. President.
